

Key Figures

29 Partners
76 Unions with partner presence
74,000 UMN's New Arrivals since Oct 2016
100,000 UMN's in makeshift settlements

Overview

The Inter Sector Coordination Group 3W provides an inventory of who is doing what, where (3W) of humanitarian response across multiple sectors in Cox's Bazar, with a focus on Myanmar Refugees and Undocumented Myanmar Nationals (UMN). It is based on 3W collected from sectors partners on their ongoing/planned/completed activities. For full information on partner and activity details, please refer to the ISCG 3W dataset.

Disclaimer: The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the United Nations

Note

1. All UMN figures in makeshift settlements and host communities are sourced from Needs and Population Monitoring (NPM) site assessments in 2 Upazilas in Cox's Bazar district as of March 2017.
2. This 3W Draft, as its first attempt, is compiled based on the collective inputs from sector coordinators and partners as of 25 April 2017. It does not include sector inputs from GBV and Protection, which will be presented in the revision or next round of data collection.

Operational Presence
